

Diagnosis Center/Advanced Lab

KING EDWARD MEDICAL UNIVERSITY, LAHORE.

The King Edward Medical University Lahore, the oldest and the most renowned medical institution of the country having one of the largest laboratories in public and corporate sector, has taken the pioneering initiative to throw open its diagnostic services to the general public at large. Prof. Asad Aslam Khan (SI) Vice Chancellor, KEMU, generated the idea to develop a new advanced diagnostic center that may meet the standard and quality of International level.

Under the Project "Up-gradation of Diagnostic Facilities at KEMU and Establishment of Diagnostic/ Collection Centers in the vicinity of Lahore" the University is committed to offer diagnostic services in the fields of Pathology and Radiology. For the purpose, the University is establishing a State of the Art Advanced Laboratory and a Diagnostic Centre at KEMU with first Collection Centre at Jail Road Lahore, where the facilities of all the routine, sophisticated and specialized Laboratory tests along with Ultra Sound, Digital X-Rays, CT scan and MRI shall be available at a reasonable and affordable rate. The diagnostic services shall be offered round the clock (24/7/365).
